## Notice to pupils

The Examination timetable follows the following structure – [*Year group*] (*Subject*) – (*Time*) (Number of pupil); therefore '7 English – 90 min (22)' means that the Year 7 English exam will have 22 pupils and will last for 90 minutes.

Missed exams cannot be retaken at a later date due to the tight timetabling of the examination block. All pupils must attend these examinations and absences will result in no result for that subject. Special consideration will only be allowed upon the presentation of a signed medical certificate.

Classes will still be operating between these examination times, and pupils are expected to be attending regular lessons. Pupils are not permitted to leave school before 16.00.
